

WORKSHOP

CECIC WORKSHOP

Convergences between bibliometrics and prosopography: coverage studies and asymmetries in the circulation of knowledge

November 11 and 12, 2024. Venue: Talampaya, CCT Mendoza

MONDAY 11

9.30 to 11.45 a.m.

SESSION 1 - Inclusiveness and exclusiveness in Open Science

Session in English and Spanish

- ❖ **Cartographies for an inclusive Open Science**
Fernanda Beigel (CONICET-Universidad Nacional de Cuyo)
- ❖ **Local and global scientometric databases: the experience of the InSySPo project at Campinas**
Alysson Fernandes Mazoni (Universidade Estadual de Campinas)
- ❖ **Evaluating the Linguistic Coverage of OpenAlex: An Assessment of Metadata Accuracy and Completeness**
Lucía Céspedes (Érudit/University of Montreal)
- ❖ **Extended internationalization? The potential of OpenAlex to identify asymmetries in Argentine scientific publications**
Victor Algañaraz (CECIC, UNSJ-CONICET), Osvaldo Gallardo (CECIC, UNCUYO-CONICET) y Gonzalo Castillo (CECIC, UNSJ-CONICET)

12.00 a 13.00 Presentation of the Newsletter recently launched by the Foundation Pierre Bourdieu Practical Sense, and the national network Space Bourdieu Argentina, with the virtual participation of Johan Heilbron, Jérôme Bourdieu, Jessica Ronconi, Matthias Fringant and Carolina Pulici.

Session in English with simultaneous translation to Spanish

UNCUYO
UNIVERSIDAD
NACIONAL DE CUYO

Secretaría de Investigación
y Publicación Científica

Centro de Estudios
de la Circulación
del Conocimiento Científico

WORKSHOP

14.30 a 17.30

SESSION 2 – Prosopography, bibliometrics and evaluation policies

Session in English and Spanish

- ❖ **Researchers of the SNI Uruguay: their production profiles through open sources**
Natalia Aguirre-Ligüera (Universidad de la República), Exequiel Fontans (Universidad de la República)
- ❖ **Circuits of recognition in Argentina: An exploration of CONICET's social and human sciences production in SIGEVA, Scopus and WoS**
Fernanda Beigel (CONICET-Universidad Nacional de Cuyo) and Denis Baranger (Universidad Nacional de Misiones)
- ❖ **How research topics in Latin America are influenced by evaluation policies and publishing platforms. An initial proposal**
Malena Méndez Isla (University of Montreal)
- ❖ **"42" the meaning of life and its causes. Exploring the social factors behind concurrent epistemologies among biologists**
Pierre Benz (University of Montreal)

TUESDAY 12

10.00 a 13.00

SESSION 3 – Citation and publishing practices

Session in English and Spanish

- ❖ **Are self-citations a normal feature of knowledge accumulation?**
Vincent Larivière (University of Montreal)
- ❖ **What drives citations? Social and semantic proximity between citing articles**
Diego Kozłowski (University of Montreal)
- ❖ **Corresponding authorship revisited: Should we limit their number?**
Erwin Humberto Krauskopf Poblete (Universidad de las Americas)
- ❖ **Perceptions, challenges and position taking concerning Article Processing Charges (APC) in scientific publication: a survey among the CONICET researchers in Argentine**
Fernanda Beigel (CONICET-Universidad Nacional de Cuyo) and Víctor Montoya (Universidad Nacional de Tres de Febrero)
- ❖ **When researchers pay to publish: Results from a survey on APCs in four countries**
Osvaldo Gallardo (CONICET-Universidad Nacional de Cuyo), Matías Milia (University of Notre Dame), André Luiz Appel (IBICT-Universidade Federal de Rondônia), and François van Schalkwyk (CREST, South Africa)

WORKSHOP

SESSION 4 – Non-hegemonic publishing circuits and gender asymmetries

Session in Spanish with simultaneous translation to English

14.30 a 17.30

- ❖ **The Latin American circuit of scholarly publishing. Indexation, open Access and configurations**
Maximiliano Salatino (CONICET-Universidad Nacional de Cuyo)
- ❖ **Science for whom? The influence of the regional academic circuit on gender inequalities in Latin America**
Carolina Pradier (University of Montreal)
- ❖ **Academic evaluation in Uruguay and its "corset"**
Fernanda Beigel (CONICET-Universidad Nacional de Cuyo) and Soledad Gomez (CONICET-Universidad Nacional de Cuyo)
- ❖ **Gender-related Studies: the evolution of the topics addressed from a bibliometric analysis and their relationship with material contexts**
Natsumi Solange Shokida (University of Montreal)
